This preparation, as its name signifies, consists of Vegetable Properties that are harmless to the most delicate invalid. Upon one trial the merits of this Compound will be recognized, as relief is immediate; and when its use is continued, in ninety-nine cases in a hundred, a permanent cure is effected, and thousands will testify. On account of the proven merits, it is to-day recommended and prescribed by the best physicians in the country.

It will cure entirely the worst form of falling of the uterus, Leucorrhoea, irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life. It will dissolve and expel tumors from the uterus in an early stage of development. The tendency to cancerous humors there is checked very speedily by its use.

It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and heaving, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

For Kidney Complaints of either sex this compound is unsurpassed.

Nothing is wholly bad. Even a dark lantern has its bright side.

"When I die I want to go where there is no snow to shovel." His wife replied that she presumed he would.

An Irish gentleman, speaking of the scarcity of feed in Utah, says that thousands of cattle have to be killed to save their lives.

It is useless for physicians to argue against short-sleeved dresses. The constitution of the United States says: - "The right to bear arms shall not be interfered with."

Women are such inconstant creatures. A young lady recently remarked - rather inelegantly, it must be confessed - that she hated "that Biggs fellow, he is such a soft cake!" Well in less than three months she took the cake.

A man went into a house last night and picked up a gun. Of course he didn't know it was loaded. It went off. So did the man. And the man who owns the gun, or, rather, who owned, the gun, would give \$50 to know where they went.

A few days ago Gustavus De Smith went to a portrait painter to have his picture painted. The artist asked him if he wanted it one-third life size. "No," was the reply, "do you think I want to look like I was two thirds dead? I want it full size, like I was full of life."

After all the evidence was in, a Judge asked the accused, who was charged with stealing a watch, if he had anything more to offer. "I did hev a old silver watch to offer yer, Judge, but my lawyer borrowed it and hasn't fetched it back yet."

"Come, mother, come," says the son-in-law to the old lady, in obedience to the pitiful request of his wife not to be disagreeable, "let us make it up. I said there was no woman in the world as unbearable as you are, didn't I, at which you felt hurt? Well, I take it all back - there are others!"

"Mr. Gilhooly," said a diminutive boy with a handful of bills, "when are you going to pay this bill for them boots you have got on?" "How old are you, sonny?" "Ten years old."

"Go tell your pa that you have got too much curiosity for your age."

Standing on his Dignity.

A prohibitionist went into a Galveston saloon, under the influence of liquor, and asked a prominent politician to treat. "You can't be thirsty again. You have just had a drink."

"Of course I'm not thirsty," was the indignant response. "If I don't drinkish shepthen when I ish thirsty, what ish the 'vantage I have got over a beasht of the field?" - Galveston News.

"I say, Jones, that dog of yours gave
